

Club Marking Scheme

Why the change?

- To closer align the scheme by which referees are observed to provide a consistent approach.
- To provide a consistent club scoring mechanism reflecting club views of referee performance
- To allow clubs to provide development advice in key areas to help improve standards.
- To allow clubs to provide comments and feedback on the performance of the Assistant Referee(s).
- To allow all information to be submitted via MOAS to provide the appointments officers with better data to make informed appointments and focus on areas for development

Marking Competencies

- For the 2022/23 season the club marking form will have 6 key sections. They are:

Judgement of Major Decisions

General Decision Making

Match Control

Communication

Fitness

Player Management

- Within each section clubs can mark across 9 standards from Very Poor to Very Good. The mark is then automatically generated based on the information you have inputted. All Referees operating at Step 2 – 6 will be able to view both the mark and comments submitted within this form.
